Americade 2008

Bryan & Donna, Earl & Heather, Terry & Pam & Mary & I spent the first week of June in Lake George. We rented a condo, which was great except for the idiots on LOUD bikes that had no consideration for others

when they returned for the night at 4 am & had to make as much noise as possible. We met with Harold & Cindy, Dave & Betty-Anne, Ken & Jim & Irene for supper at the Barnsider

on Monday night. Terry, Bryan & I had a neat experience, test driving the new Can-Am Spyder. This is 3 wheels but the 2 wheels are at the front. Boy does it have a lot of POWER.
