

CANADIAN RIDERS

March 2008

Monthly Newsletter

We were back at the Teviotdale Truck Stop for our meeting this month with only 15 in attendance. I guess having our February meeting only 2 weeks ago had an influence.

The 50/25/25 was won by Laurie & the cook at the restaurant. I cannot believe how often that seems to happen. (restaurant staff that is)

We have decided to have our Casino Day, March 29th to Niagara Falls.

We need 40 people to

attend for the casino to pay for part of the bus and we will each receive \$10.00 in tokens for gambling. Departure details are below.

As of Sunday March 9th we have 29 signed up, so Please ask your friends to see if they would come with us. The more the merrier.

We have new membership sheets for everyone to fill out & the \$10.00 membership fee is now due. The newsletter will become passworded on the website in the

future so that only paid up members will be able to access it. So anyone who has not filled out the membership application & paid the dues should do so now. This will be done in March. I will email all members with a username & password
