

CANADIAN RIDERS

May 2009

Monthly Newsletter

The meeting this month was held at the Teviotdale Truck Stop on May 10th at 11:30AM

We had a rather skimpy turn out at this meeting due to the fact that it was Mother's Day

The 50-25-25 draws were both won by Shirley Hammond

but she refused the second draw, so we redrew and it was won by the waitress AGAIN..

We had a draw for a Mother's Day basket of flowers & it was won by Pammy Hessels.

On Saturday May 2nd Wayne held a Birthday party for Marilyn at the Damascus Hall. (39 again)

The food was excellent and there was plenty of it. Thanks for the invitation & all the hard work.

Laurie

Special points of interest:

Frankenmuth trip on July 18th & 19th. Book your rooms before June 20th.

Social night May 30th at the Top End Restaurant in Neustadt at 7:00PM

Frankenmuth Weekend & Fall Colour Ride

The survey conducted by Ron and Kathy indicated that the majority of members do not want a Safety Course and the menu for the BarBQ will be Pork Loin and Chicken as was done last year. It has been mentioned that perhaps we should be charging more for the BarBQ for non-members than for members. No decision was made.

Dave and Trudy have blocked rooms for our Frankenmuth trip on July 18th, at the Best Western in Birch Run. Rooms are \$129.99 for 2 queen beds The phone number there is 989-624-9395. When making your reservations for those of you going, please use the code "Ride 0718" when you call. The rooms are blocked until the 20th of June.

A new Phone Tree has been made up and is being mailed to those of you not at the meeting.

Monthly Meeting Dates

June 14th at Dave & Trudy's At 12:30pm

They will be leading a ride after lunch.

July 22nd—Elmira

An advertisement for the Can-Am Spyder trike. The top features the word "SPYDER" in a large, stylized font with a red and black color scheme. Below the name, the text reads "THE NEXT DIMENSION IN OPEN-ROAD RIDING". A list of features is provided: ROTAX 900 V-TWIN, DYNAMIC POWER STEERING, 44 LITRE FRONT STORAGE, SEQUENTIAL MANUAL 5-SPEED WITH REVERSE, OPTIONAL SEQUENTIAL ELECTRONIC 5-SPEED WITH REVERSE, VEHICLE STABILITY SYSTEM (VSS), ABS: ANTI-LOCK BRAKES SYSTEM, TCS: TRACTION CONTROL SYSTEM, and SSC: STABILITY CONTROL SYSTEM. The main image shows a person riding a red and black Spyder trike on a paved area. Other trikes and people are visible in the background. At the bottom, the website "WWW.SPYDERRIDER.COM" and the Can-Am logo with the slogan "THE OUTBACK RIDE" are displayed.

Calendar for June 09 is also on our Website
