There were 4 people that attended the Grey-Bruce toy ride on August 21st from our club. There would have been more if the weather would have cooperated.

The October meeting has been changed to October 17th due to Thanksgiving.

We voted on whether to move the BBQ to a different weekend but decided to keep it the same as other years.

The election of officers for our club will be at the October meeting. The only position that is filled is the President. All others are still open. Please consider helping our club by volunteering for a position.

Pumpkinfest was mentioned so here is some info I found on their website.
